To Whom It May Concern

I am pleased to provide this letter of reference for Mitchell Project Management regarding their qualifications as General Contractor. The project they worked on was the DTB - Gate 33 Bridge Replacement Project which consisted demolition, structural, foundation, civil work, building including, electrical and mechanical.

Once awarded the project Mitchell Project Management, issued an aggressive schedule to meet the client's requirements as stated in the contract. Their enthusiastic interests in completing the project were evident from the start. They did not let drawing conflicts slow the construction progress as they are pro-active and provide proposed coordinated solutions. Good knowledge of projects was indicative of their performance that allowed the project to be completed on time and on schedule. Any additional changes, shop drawings and cost reviews were issued on a timely basis.

Mitchell Project Management performed their work well, cooperated fully with the owner, made excellent recommendations for problem solving and completed the work on time.
